

Spring

The "Magic of Spring" and "The Great Outdoors" . . . The Town of Bethel has 57,600 beautiful acres that are "brimming full" of both.

For the fisherman, there are excellent waters for Bass and Pickerel fishing as well as year around trout fishing. (Rainbow, Brown, Lake and Brook).

There are woodlands for camping. Trails for hiking and horseback riding. An abundance of ponds and lakes has also made scuba diving a popular sports activity in The Bethel Area.

Places of Worship:

Perhaps describing the Town of Bethel as "God's Country", is being a bit presumptuous, however, it seems to be inhabited by all of God's children. Finding a church or house of worship of your faith is no problem. All faiths are well represented.

The coming of Summer brings on an ever increasing array of Sports activities in The Town of Bethel Area. As a matter of fact we have facilities for just about everything, including:

- BOATING • WATER SKIING
- SCUBA DIVING • BOAT RENTALS
- SWIMMING • PICNICING
- HORSEBACK RIDING
- SUMMER THEATRE • GOLF COURSE
- BOYS' & GIRLS' CAMPS
- BALL GAMES
- YOUTH SUMMER RECREATION

One can also enjoy the action and thrills of night harness racing at nearby Monticello Raceway.

Places To Visit:

You're never at a loss for "someplace to go" in The Town of Bethel. There are many interesting places to visit such as the trout hatchery and Yasgur Farms or, if you seek entertainment, there is Monticello Raceway, the stockcar track, or the summer theatre at White Lake.

Fall

The Town of Bethel provides 1,100 acres of public hunting land, plus vast acreage tracts that are maintained by private hunting clubs.

The area's game population includes: Rabbit, Squirrel, Pheasant, Partridge, Duck, Deer and Bear. Deer hunting is rated as excellent.

The abundance of Deer has made hunting with bows and arrows an increasingly popular Fall sport in the Bethel area. Hiking, camping and horseback riding are also popular Autumn sports.

Hunting Clubs:

Among the many contributing factors that make the Town of Bethel a center for Autumn Sports are the various programs and activities sponsored by the hunting clubs in the area. The Town of Bethel has 21 hunting clubs, some of which are open to membership.

What makes Winter so special in the Town of Bethel? Well . . . there are a lot of things . . . some of them pretty exciting too . . . Ever watch harness racing on ice? It's done here, every winter. How about snowmobile racing? That's a new one . . . probably because snowmobiles are new but, we've got that too. Another very popular winter sport is ice fishing. Some excellent catches of Pickerel, Trout and Perch have been taken from our many lakes and ponds, which also provide excellent ice skating facilities. For the Skiing enthusiast, there are several excellent ski slopes in the near proximity of the Town of Bethel.

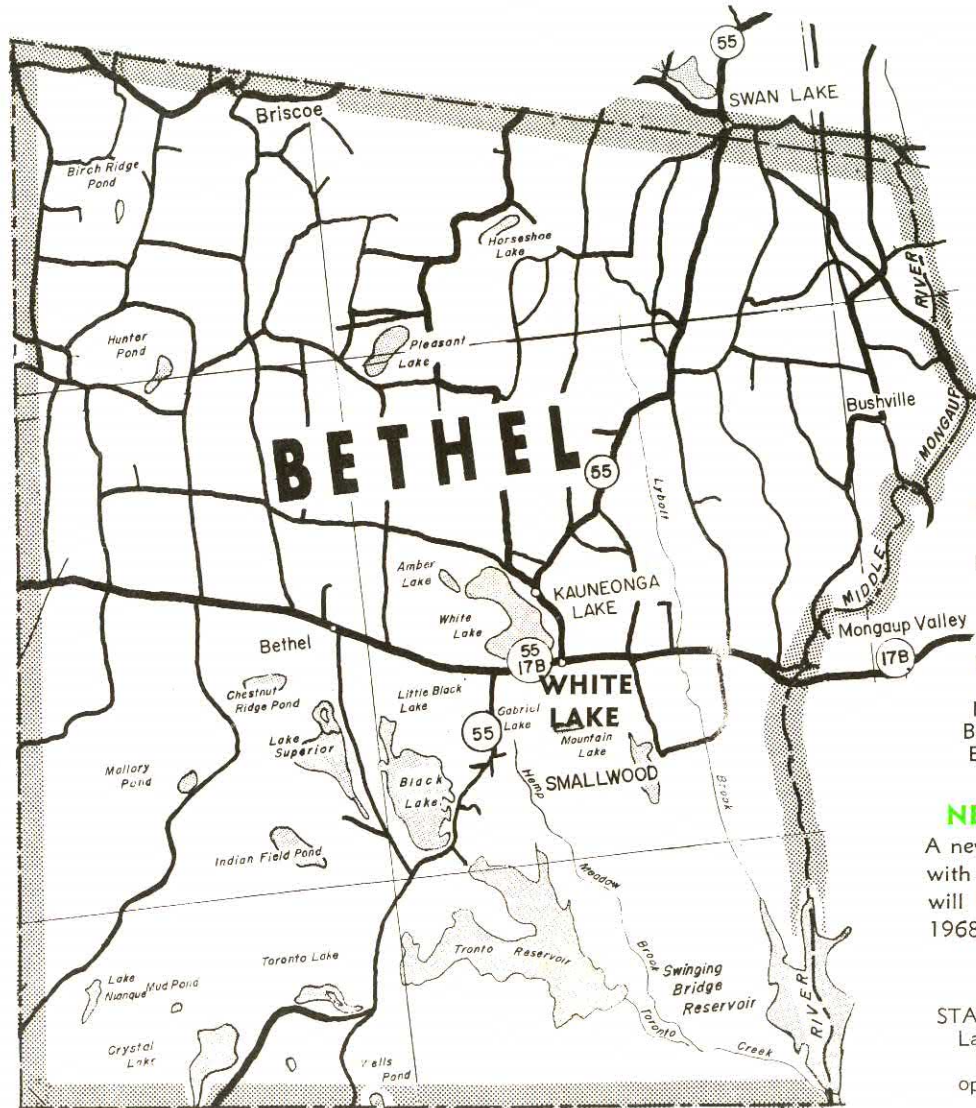

P. S. NO CLOSED SEASON FOR TROUT FISHING AT WHITE LAKE.
